DESCRIPTION

This Riesling is a classic representative of this variety. In the nose, light fruits, stone fruits, white wineyard peaches and apricots. Firm on the palate with excellent acidity and minerality. A particularly animating, elegant Riesling in which the fruit dominates.

This location was first mentioned in 1141 and belongs to „Stift Heiligenkreuz“. It reaches from Thallern to Gumpoldskirchen at about 250 m above sea. The hillside looks to the west, the ground consists of shell limestone and loamy sand and is profound. Old grapevine and a perfect location mark this wine.
